mashhudur.rahman.dev@gmail.com | 01996525342 | Gazipur, 1780 Bangladesh | WWW: https://mashhudurrahman.vercel.app/

Summary

Innovative Full Stack Developer with a strong background in building and deploying production-grade web applications. Developed MostafizTradeHub, a B2B SaaS platform that includes an admin panel, retailer web app, and mobile app with Firebase notifications. Expertise in the MERN stack, TypeScript, and deployment workflows, focused on delivering clean, scalable solutions to meet business needs.

Skills

- Full stack development
- JavaScript and TypeScript
- React.js
- Node.js and Express.js
- API development
- MongoDB
- Firebase and FCM
- Git & GitHub

Experience

Software Developer 09/2024 - Current

Self-employed / Freelance | Gazipur, Bangladesh

- Designed, developed, and deployed a production **B2B SaaS platform** actively used by wholesale distributors in Bangladesh.
- Developed admin panel with sales dashboard, order management, and product management tools to streamline operations.
- Developed a retailer web app with authentication, product browsing, and order history functionality.
- Integrated Firebase Cloud Messaging to enable real-time notifications for admin and retailer interfaces, enhancing user engagement.
- Deployed production apps on Vercel and Render, ensuring SEO optimization.
- Created video sharing platform with MERN stack, incorporating cloud storage via ImageKit and Cloudinary for efficient media management.
- Utilized React, Node.js, Express, MongoDB, Firebase, Tailwind CSS, and REST APIs.

Education and Training

Professional Certificate: MERN Stack Web Development Expected in 08/2026

Interactive Cares | Bangladesh (Online)

- Completed a comprehensive full-stack web development program covering the complete MERN stack, TypeScript, Next.js, MySQL, Redis, Docker, and Astro. Built multiple production-grade projects including e-commerce applications, project management tools, and full-stack APIs with authentication and database optimization.

Some College (No Degree): Science / General

Mawna MI High School | Mawna, Gazipur, Dhaka, Bangladesh.

- Currently enrolled in secondary school while independently pursuing software development. Self-taught full stack developer since 2022 through online resources, documentation, and hands-on project building.

Languages

Bengali — Native **English** — Proficient (C1)

Certifications

MERN Stack Web Development Career Path — Interactive Cares — 2025
